Subject: Underground Storage Tank Closure, NOAA National Weather Service, 6425 Airport Parkway, Greensboro, Guilford County, NC

Dear Mr. Smith:

On November 10, 1997, we received the soil sample results and closure assessment from the underground storage tank closure at the subject location. As the implementing agency for the Federal Underground Storage Tank Program for the State of North Carolina, we have determined from review of your assessment that the UST system has been closed in accordance with NCAC Title 15A Subchapter 2N Sections .0802 and .0803 and 40 CFR 280.71 and 280.72. However, this does not absolve you of any responsibility for contamination that may not have been detected or noted during the site assessment.

If you have any questions, please feel free to contact Sharon K. Cihak at (910) 373-3771.

Sincerely,

Sherri V. Knight
Groundwater Section Supervisor
